tesa® 4662 Betonband

Product Information

Strong duct tape for rough and dusty surfaces

Product Description

tesa® 4662 Betonband is a tough and highly adhesive duct tape that is suited to countless DIY applications. The substrate consists of a PE-coated fabric combined with a natural-rubber adhesive mass. Thanks to the superior tesa® quality, it offers excellent adhesion even on rough and dusty surfaces. The tape is waterproof, impermeable to vapour and temperature-resistant, can be torn by hand and handled with ease.

Product Features

- Suitable for many applications
- Indoor and outdoor
- UV-resistance
- Handtearable
- High durability
- Moisture resistant

Technical Information (average values)

The values in this section should be considered representative or typical only and should not be used for specification purposes.

Product Construction

- Backing   PE laminated cloth
- Type of adhesive   natural rubber
- Total thickness   230 µm

Properties/Performance Values

Elongation at break	15 %		Humidity resistance	good
Tensile strength	30 N/cm		Residue-free removability	no
Abrasion resistance	medium		Tear resistance	yes
Adhesive strength	Standard adhesion		UV-resistance	2 weeks
Ageing resistance (UV)	good		Water resistance	medium
Hand tearability	good		Writable	yes
