## productinformation

## tesa<sup>®</sup> 51136 Surface protection and masking tape

tesa<sup>®</sup> 51136 is a self-adhesive polyethylene tape with an acrylic adhesive for masking large areas of plastic parts during professional painting processes. The colour of the tape provides a good contrast to dark surfaces making the positioning easier and faster.

Furthermore tesa<sup>®</sup> 51136 is an interior protection tape for slightly structured surfaces. tesa<sup>®</sup> 51136 PV2 is a higher adhesion version for rough surfaces and carpets.

## Main Application

- Masking during painting applications
- Protection of various surfaces against dirt and damage
