## Self-adhesive Protection Paper

### Product Information

tesa® Self-adhesive Protection Paper – For large area protection and coverage

### Product Description

tesa® Self-adhesive Protection Paper is a professional-quality craft paper ideal for large-area protection and coverage during painting or renovation jobs. Offering a smooth and effective protection against paint spills and scratches on various surfaces such as windowsills, stairs, floors, and countertops. Easy to apply, reposition and remove without leaving any adhesive residue, making clean-up hassle-free.

### Sustainable Aspects

tesa® Self-adhesive Protection Paper is made with paper from well-managed FSC®-certified forests, recycled materials, and other controlled sources and it meets the FSC® Standards. The communication of the FSC® certification is strictly limited to sales organizations that are FSC® certified (FSC® C148769).

### Product Features

- Easy application to protect against dirt, dust, and small paint splashes even on the most sensitive surfaces
- Clean removal without leaving any residue for up to 1 months
- Repositionable multiple times
- Fully coated for enhanced durability and performance
- Smooth and thick craft paper that prevents paint bleed through
- Scope of delivery: 1 x roll of tesa® Self-adhesive Protection Paper
