## Self-Adhesive Paper – Reusable, Eco-Friendly Cover for Dust & Renovation Work

### Product Information

tesa® Self-adhesive Protection Paper – For large area protection and coverage

### Product Description

This protective paper safeguards delicate surfaces from paint and dirt during renovation work. Made from recycled paper, it's easy to apply, repositionable, and removes cleanly without residue. Ideal for painting projects, it offers a sustainable and reliable surface protection solution for indoor use.

### Sustainable Aspects

tesa® Self-adhesive Protection Paper is made with paper from well-managed FSC®-certified forests, recycled materials, and other controlled sources and it meets the FSC® Standards. The communication of the FSC® certification is strictly limited to sales organizations that are FSC® certified (FSC® C148769).

### Product Features

\*Protects sensitive surfaces from dirt and splashes during painting

- Made from 100% recycled paper – eco-friendly and FSC certified
- Easy to apply and removable without residue for up to 6 months
- Thick, smooth paper blocks paint bleed-through – reliable protection
- Ideal for renovation – clean removal without damage or adhesive marks
- Scope of delivery: 1 x roll of tesa® Self-adhesive Protection Paper
